Giving Opportunity

Please mark your calendars for **Sunday, June 5th**. The elders have set aside this day to have a special contribution in order to begin the much needed repairs and beautification of our building. As a result of the recent flooding, much of the flooring will be replaced. While insurance will replace much of the flooring, a much needed upgrade will be done to the roof followed by new ceiling tiles in the worship center. This is an opportunity to show your love and support by setting aside what you can to contribute to the much needed improvements. Thank you!
