Welcome Visitors!

Special Contribution Today

Today we will be having a special collection following the regular contribution. These funds will be used for much needed repairs on the building. The roof has already been repaired and we will follow with the replacement of the ceiling tiles in the auditorium. Building materials are constantly on the rise and these repairs are costly. We hope that you use this opportunity to show generosity in your giving as we begin to make improvements to our facility.

Prayer Journal

God, open my eyes that I might see my church as You see it. Let me see where change needs to take place, even if it is painful to me. And use me, I pray, to be an instrument of that change whatever the cost.

Tom Freeman was hospitalized in Tyler last week with an infection in his foot.

Norman Beckett has been diagnosed with prostate cancer. Treatment is pending a second opinion.

Maryanne Breazeale has been diagnosed with peripheral artery disease.

Robert Perryman's mother, Nell Matthews, has been diagnosed with stage 3 colon cancer. She is undergoing chemotherapy.

Anita McRae's brother, Larry Crooks, is very ill with cancer and has moved the Greenhill Villas, Room 312. He continues to deal with multiple health issues and is in much pain.

Mike Tafoya, Millie Black's brother and his wife, Mary Ruth, are experiencing multiple health issues.

Our hearts are saddened by the news of the passing of Rick Matthews last Saturday, May 28th. His funeral was held here at North Ridge last Tuesday. He and

Linda will always hold a special place in the hearts of our North Ridge family. *The family would like to thank everyone who supported them in their loss with phone calls, cards, food, flowers, visits and hugs. A special thank you to all who brought food, served the delicious meal, worked the sound system, and led us in words and prayers. We are grateful for all of your love and encouragement.* - The family of Donald (Ricky)
