## Welcome Visitors!

## Special Contribution Next Sunday

The elders have designated next Sunday, June 5th, for a special contribution to be used toward the much needed building improvements. Repairs have started on the roof and will be followed by flooring and ceiling tiles. Due to the recent flooding, insurance is expected to cover some of the flooring costs. However, any additional upgrade or renovation will be our responsibility. It is our prayer that you will take this opportunity to show generosity in your giving as we begin the process of restoring our worship facility.
