Prayer Journal

God, open my eyes that I might see my church as You see it. Let me see where change needs to take place, even if it is painful to me. And use me, I pray, to be an instrument of that change whatever the cost.

Robert Perryman's mother, Nell Matthews, has been diagnosed with stage 3 colon cancer. She is undergoing chemotherapy.

"My prayer is not for them alone. I pray also for those who will believe in me through their message, that all of them may be one, Father, just as you are in me and I am in you. May they also be in us so that the world may believe that you have sent me. I have given them the glory that you gave me, that they may be one as we are one— I in them and you in me—so that they may be brought to complete unity. Then the world will know that you sent me and have loved them even as you have loved me.
